**Option 1**
If you're feeling pressured to share your prescription stimulant medication, remind your friends that there are better ways to deal with stress. For additional help or resources reach out to an on-campus healthcare professional. Learn more at [insert URL].

**Option 2**
There are other ways to deal with pressure. One way is by managing your time – try to prioritize your to-do list, eliminate distractions, and schedule in relaxation. For additional help or resources, reach out to an on-campus healthcare professional. Learn more at [insert URL].
